DETAILED ACTION

Oath/Declaration

1. Applicant is now required to submit a declaration or oath because no oath or declaration has yet been filed. The oath or declaration must be filed within the THREE MONTH shortened statutory period set for reply in the "Notice of Allowability" (PTO-37). Extensions of time may NOT be obtained under the provisions of 37 CFR 1.136. Failure to timely file the substitute declaration (or oath) will result in **ABANDONMENT** of the application. The transmittal letter accompanying the declaration (or oath) should indicate the date of the "Notice of Allowance" (PTOL-85) and the application number in the upper right hand corner.

EXAMINER'S AMENDMENT

2. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Jeffrey Auerbach on August 21, 2006.

The application has been amended as follows:

Cancel claim 27.

REASONS FOR ALLOWANCE

3. The following is an examiner's statement of reasons for allowance: An extensive search of the prior art revealed that it is known to couple chitosan to one protein but it is not known to couple more than one type of protein at the same time, nor is there sufficient motivation to do so. In view of the allowability of the product claim, applicants were given the opportunity to add method claims to be rejoined; hence the supplemental amendment. In addition, claim 27 was not canceled in the supplemental amendment, necessitating the above Examiner's Amendment.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

4. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Robert A. Wax whose telephone number is (571) 272-0623. The examiner can normally be reached on Monday through Friday from 9:00 to 5:30.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Jon P. Weber can be reached on (571) 272-0925. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.
